PRESIDENT'S REPORT

It is my pleasure to submit the Ballarat Cricket Associations (BCA) Presidents Report for season 2022 – 23 on behalf of the entire Board of Directors of the BCA which continued to serve the association over the past season.

For season 2022 – 23 we again had a full compliment of Directors, with Mr. Ian Morris, Ms. Natalie Grero, Mr. Jins Jacobs and Mr. Ben Molloy joining the Board.

With the resignation of BCA Operations Officer Ms. Jenna Fowlie, we welcome Mr. Joshua Pegg to the position. Joshua certainly has big boots to fill but we are sure he will be a success as he settles into the job. Personally, I would like to thank Jenna for all her work whilst in the employment of the BCA, Jenna's professional attitude, attention to detail and friendly smile will be sorely missed, I'm sure she will be an asset as she moves to bigger and better things.

We have two Board members stepping down this year, Ms. Victoria Kennedy, and Mr. Rob Florence. Victoria has been a driving force in many areas across her tenure on the Board, her work in developing, promoting and delivering within the female cricket space has laid the path for future success, likewise with her work with the Junior Sub Committee, where she was a proactive advocate. Victoria will remain within the association in a consulting role as we work with other partners to develop future opportunities. Thank you, Victoria for all your help.

Significantly Mr. Rob Florence has called time on the Board. Coming onto the Board initially as Treasurer Rob took over as President in 2014. Laying the foundations of the merge of Club and District cricket, the development of the Strategic Partnership, his work with promotion of Junior cricket and his leadership shown through the Covid pandemic are all legacies of Rob's presidency. I sincerely want to thank Rob for all his work. I wish to acknowledge and thank our sponsors for the past year – Alfredton Dental, Kookaburra, Florence Audit and Assurance, Ballarat Ground Works, Waller and Chester, the City of Ballarat, Sebastopol Dental, 4CYTE Pathology and Rebel Sports.

We welcome two new Clubs to the association, Ballarat Women's Cricket Club and the Baccus Marsh Cricket Club.

Ballarat Women's Cricket Club (Bolts) – offers open age cricket to female competitors across a number of competitions, the Bolts play a significant part in the development and promotion of the game in Ballarat and offer a pathway for women to enter the game. Congratulations to club President Ms. Jenna Fowlie.

Bacchus Marsh Cricket Club (Bulls) – Joining the BCA season 2023 – 24 the BMCC Bulls will be fielding 6 Senior mens teams and 2 open Junior teams, this is an exciting opportunity for both the BCA and the BMCC. Congratulations to club President Mr. David Kralijik.

The previous two seasons were played against the backdrop of covid, this season was again affected by forces outside of our control that being one of the wettest years for some time. Providing leadership and guidance throughout all the seasons were the Pennant Committee, led by Mr. Wayne Hinchliffe, the team were again able to guide the competition through very trying times. I want to thank Wayne and the team for all their work.

I want to take the time to personally thank Vice President Mr. Peter LeLievre. Peter has committed endless hours to the betterment of the association, as a diligent Chairman of the Board, he has continued work with the City of Ballarat in the promotion of all things cricket, his work in attracting Bacchus Marsh to the competition, his work with various sub committees are all foundation stones for the future of cricket in Ballarat and district. Thank you, Peter.

Highlights of this season were –

100 years of Melbourne Country Week – the centenary match played between Ballarat and Hamilton saw Ballarat win by 5 wickets, remarkably the same result as the game from 100 years ago. Special thanks to WCC for their assistance on making the event a success.

WBBL Big Bash – Ballarat again played host to teams from the Melbourne Renegades, Melbourne Stars, Sydney Sixers, and Hobart Hurricanes at the eastern Oval in the Ballarat Festival of Cricket.

4 Day Grand Final – Wendouree CC and East Ballarat CC played off in what will become one of the most talked about matches in BCA history with East Ballarat winning in the last hour of the last day.

E.J Cleary Medal Winner – Mr. Col Roscholler (Wendouree CC)

Senior Female Cricket of the Year – Ms. Maddie Ogilvie. (Golden Point CC)

Bernie Davey Medalist - Sandaken Pathirana (Creswick Imperials CC)

Special thanks go to Gavin Drew and the members of the Ballarat Cricket Umpires Association for their continued support.

In conclusion I would personally like to thank all members of the BCA Board – once again the level of professionalism showed by each of you to ensure the success of the competition is outstanding and again it's been a pleasure to work with you.

Best wishes to all involved in Ballarat cricket, and I once again look forward to 2023 – 24.

Notes To and Forming Part of the Financial Statements For the Year Ended 30 June 2023

1. Summary of Significant Accounting Policies

The financial report is a special purpose financial report that has been prepared in accordance with applicable Australian Accounting Standards including applicable Australian Accounting Interpretations, other authoritative pronouncements of the Australian Accounting Standards Board and the *Corporations Act 2001*.

The financial report is for Ballarat Cricket Association as an individual entity, incorporated and domiciled in Australia. Ballarat Cricket Association is a company limited by guarantee.

The following is a summary of the material accounting policies adopted by the entity in the preparation of the financial report. The accounting policies have been consistently applied, unless otherwise stated.

Basis of Preparation

Reporting Basis and Conventions

The financial report has been prepared on an accruals basis and is based on historical costs. It does not take into account changing money values or, except where stated, current valuations of non current assets. Cost is based on the fair values of the consideration given in exchange for assets.

(a) *Property, Plant and Equipment*

Property, plant and equipment are brought to account at cost less any accumulated depreciation or amortisation. The depreciable amount of all fixed assets is depreciated on a straight-line basis over the useful lives to the association commencing from the time the asset is held ready for use. The depreciation rate used for plant and equipment ranges from 5.00% to 33.3%.

(b) *Buildings*

The Eastern Oval administration building is brought to account at cost less accumulated depreciation or amortisation. The depreciation rate used for the building is 2.5%.

(c) *Income Tax*

The company is exempt from income tax pursuant to Section 23(g)(iii) of the Income Tax Assessment Act 1936.

(d) *Expenditure on Wickets*

The costs of improvements to wickets and preparation of new turf wickets are treated as period costs and included in the determination of the trading results of the company where those assets are not directly owned by the company.

Notes To and Forming Part of the Financial Statements For the Year Ended 30 June 2023

(e) *Financial Instruments*

Credit Risk

The maximum exposure to credit risk, excluding the value of any collateral or other security, at balance date to recognised financial assets is the carrying amount, net of any provisions for doubtful debts, as disclosed in the balance sheet and notes to the financial report. The association does not have any material credit risk exposure to any single debtor under financial instruments entered into by the association.

Net Fair Values

- (i) Financial assets where the carrying amount exceeds net fair values have not been written down as the association intends to hold these assets to maturity. Conversely, where the carrying amount is less than the net fair values, such financial assets have not been written up.
- (ii) No financial assets and financial liabilities are readily traded on organised markets in standardised form.
- (iii) For other assets and other liabilities the net fair value approximates their carrying value.

(f) *Goods and Services Tax (GST)*

The company is required to be registered for GST therefore GST is collected on income earned by the company, and GST credits are claimed on expenses paid.

(g) *St Patrick's Turf Wicket Contribution*

On 1 October 2005 an agreement was entered into with St Patrick's College to have non-exclusive use of the Hill Oval. The agreement is for 5 years with three 5 year options. All options have been exercised and the agreement continues. In return, 50% of the turf wicket installations and 50% of the watering system costs were contributed. This is to be amortised over the 20 years of the agreement.
